[LeetCode](#) [CodeChef](#)

Skills

- **Programming Languages** - Java, JavaScript, TypeScript, C/C++, Python(Basic).
- **Frameworks and Library** - Vue, Nuxt, React, Node.js, Pinia, Rest APIs, Bootstrap, Tailwind, Shadcn-Vue.
- **Database and Version Control Tools** - Cloudant, MongoDB, MySQL (Basic), SEO, Git, GitHub, VS Code, Postman.
- **Course Fundamentals** - OOPS, DBMS, Operating System, Computer Network, System Design

Experience

Associate Software Developer Intern

Compro Technologies (Feb 2025 - Present)

New Delhi, India

- Contributed to the redesign and development of a large-scale dashboard platform used for managing educational content and programs.
- Built dynamic, reusable components for **Dashboard** and **Families** pages using **Vue.js** and **Nuxt.js**, enhancing UI consistency and user experience.
- Worked in an Agile environment, collaborating with cross-functional teams to ensure timely feature delivery and integration.
- Improved code maintainability and scalability by following component-based architecture and modern frontend practices.

Projects

ArkaEve - Crafting your Dream Events

[Demo Github](#)

- Developed a comprehensive event organisation management platform utilising **MongoDB**, **Express.js**, **Node.js**, **React.js**, and **Redux**. providing 60+ themes and 20+ vendor options to optimise large-scale operations.
- Implemented **RESTful API** to execute various actions such as create, read, update and delete events—also, utilised **JWT Authentication** to keep users logged in and restrict access to protected routes.
- Created an **Administrative dashboard** for System Administrators to oversee Dealers, Event Planners, Transactions and other Backend tasks, improving overall platform efficiency and management.

Education

Bachelor of Technology

Maharaja Agrasen Institute of
Technology

Nov 2021 – June 2025
(Expected)

- B.Tech in Information Technology: CGPA - **8.6**/10

Senior Secondary

Sony Academy Sr. Sec. School,
Bharatpur, Rajasthan

Apr 2019 - Mar 2020

- Senior Secondary (Class XII), PCM, Rajasthan Board - **91%**

Miscellaneous

- **Coding:** **1674** rating on Leetcode and **3 star** coder on CodeChef with **1603** rating, solved over **800+** problems on all over the platforms.
- **Contest:** I got **55th** rank out of 16,000 students worldwide, **START143D CodeChef** contest
- **Hackathon:** Achieved top 16 position in HackOverFlow Hackathon at Aarohan 2024, among more than 600 teams of NIT Durgapur. [Certificate](#)
- Passed the test of Software Engineer on Hackerrank. [Certificate](#)
